Mercury, Chicago's Skyline Cruiseline 2018 Fact Sheet

About Mercury, Chicago's Skyline Cruiseline

- Mercury, Chicago's Skyline Cruiseline offers guests a front row seat to the city's breathtaking skyline, historic landmarks and modern marvels through a variety of fun, special themed cruises and tours for all ages.
- Notable landmarks seen on the tours include the Willis Tower, Marina City, John Hancock Building and the Museum Campus.
- Cruises zip across the Chicago River and Lake Michigan, offering 360 degree picture-perfect views of the city's skyline.
- Entertaining narrated cruises are 90-minutes to 2-hours and are offered during daytime and evening hours.
- The cruises' wide-ranging route helps guests plan the remainder of their Chicago trip by orienting themselves to the city and seeing other must-visit attractions.
- Mercury Cruises' tours:
 - The **Urban Adventure Cruise**®, Mercury Cruises' signature tour, dazzles guests with stunning views of iconic skyscrapers and bridges while gliding along the main branch of the Chicago River, through the Chicago River Lock and into the downtown harbor of Lake Michigan.
 - The **3D Fireworks Cruise** gives cruisers a unique view of Chicago's Wednesday and Saturday night fireworks through the lens of "3D" holographic glasses. Cruise on to Lake Michigan for a getaway under bursts of color.
 - The **CHICAGO BY NIGHT! Cruise** captivates guests with views of the city's sparkling skyline, cool night breezes and complimentary neon light wands. Mercury Cruises' boats also transform into floating bars with weekly wine specials that make the cruise a night to remember for couples or friends.
 - The **Canine Cruise** turns Mercury Cruises into a pooch's haven and an owner's adventurous escape with their best friend.
 - The **Science is Fun Cruise** is a special tour available for school, summer camp and scout groups that gives children a fun and educational experience through hands-on, interactive science experiments and sweeping skyline views.

Pricing and location

- Tours depart from Michigan Avenue on the Chicago Riverwalk at the dock with the blue awning (112 E. Wacker Dr.), just 3-blocks north of Millennium Park.

- Children under five years of age ride free aboard all cruises.

Company history and commitment

- Mercury, Chicago's Skyline Cruiseline is a fourth-generation family-owned and operated company for more than 80 years. The company was founded by Portuguese immigrant Arthur Agra and his wife Myrtle in the 1930s and remains the city's longest contiguous-running sightseeing boat company.
- Mercury Cruises is the sister company of Chicago's First Lady Cruises, which operates the official Chicago Architecture Foundation Center River Cruise aboard Chicago's First Lady and hosts private events.
- The company is committed to protecting Chicago's waterways by using enviro-friendly practices for continued sustainability.
- The company celebrates local businesses by selling Chicago-based food and beverages like Mama's Nuts and Revolution Brewing craft beverages aboard its tours.
- The company's eight vessels are inspected annually by the US Coast Guard and are piloted by a licensed crew.
